Dear Angie,

WEBSITE DESIGN

I am writing to say thank you for designing my new website. I really appreciated your creative input and the speed in which you turned my ideas into reality on the site. You took the hassle out of setting it up including the email addresses and made it all work.

The ongoing support you provide works very well as it means I can focus on other important aspects of my business.

Thanks again

Yours sincerely,

A handwritten signature in blue ink that reads "Ian Freeman". The signature is fluid and cursive.

Ian Freeman
