14th June 2007

Dear Angie,

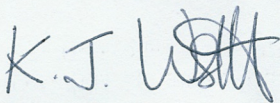

I am writing to thank you for setting up the Oxford Decorating Ltd website.

The website looks fantastic, is easy to use and is always being favourably commented on by visitors to the site.

This has enhanced our business beyond what I expected and the service provided by yourself was first class. I would have no hesitation in recommending your Company to anyone.

Thank you once again for a job well done.

Kind regards

Kevin Westhead
Managing Director
